MEMORANDUM FOR: Deputy Director for Administration

Deputy Director for Intelligence Deputy Director for Operations

Deputy Director for Science & Technology

Executive Secretary

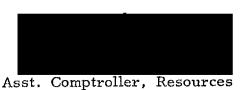

SUBJECT:

EAG/Comptroller Meeting, 5 October 1976

1. Attached for your information is a copy of a Memorandum for the Record describing the meeting of the Executive Advisory Group with the Comptroller on 5 October 1976. Financial Guidance Letters for Fiscal Year 1977 reflecting the results of the meeting as they affect your Directorate are being sent separately.

2. As stated at the meeting, the DDCI wants to avoid the application of percentages to budgets as a means of deriving funds to meet unfunded requirements. He would prefer to review activities programmatically to determine which low priority items can be terminated or curtailed when it is necessary that funds be made available to meet unfunded requirements. Accordingly, you are requested to furnish to the Comptroller by 15 November 1976 a list of the lowest priority items in your Directorate totaling 2.5 percent of your allotment. Items identified should be listed in order of priority with the activities most important to retain listed first and the least important listed last.
